

# Vimar Welcomes 2017 with the “Road to Savings Service Event”

*An equipment evaluation, checkup, and cleaning.  
This offer includes pick up of your unit, transport to Vimar Equipment and back to your yard, conduct a thorough evaluation, make necessary adjustments, produce a report on the condition of your sweeper, clean it, and return to your yard. If you decide to proceed with any repairs found during your service, Vimar will apply a 10% discount to all parts and labour.*
